

Student Internet Usage Policy

Noble Park English Language School provides access to the internet to all students for educational purposes. Such access is a privilege and not a right. Internet access is available within the school. Internet use will be integrated into the class learning program and supervised at all times. This may include access to sites such as the Global2 blogging network.

STUDENT CODE OF CONDUCT FOR USING THE INTERNET

- I understand that using the Internet at NPELS is for educational, research or learning purposes only
- Before I begin to use the Internet I will ask permission of the teacher and explain my purpose and present a list of words I will use to search with or a known address.
- I will tell the teacher if I find strange or inappropriate material
- I will use appropriate and polite language
- I will check with the teacher before printing
- I will take care of the computer equipment and behave appropriately when using equipment
- I will not upload any inappropriate material onto the school computer network
- I will not use the school computer equipment or my private computer to send inappropriate messages to, bully or harass any students at Noble Park English Language School.
- I will not upload any photographs or videos of staff or students at NPELS onto Facebook or other social websites.
- I will acknowledge work copied from the Internet as work which is not my own.
- I understand that if I do not abide by this Code of Conduct my right of access to the Internet will be restricted or withdrawn

Student Use Agreement
