### Help for non-English speakers

If you need help to understand the information in this policy please contact Noble Park English Language School on 9546 9578.

### PURPOSE

To explain to parents/carers how Noble Park English Language School will collect, use and disclose photographs, video and recordings of students, how parent/carer consent can be provided and how it can be withdrawn.

### SCOPE

This policy applies to the general collection, use and disclosure of photographs, video and recordings (images) of students. It does not cover the use of Closed Circuit Television (CCTV).

### POLICY

This policy outlines the practices that Noble Park English Language School's has in place for the collection, use and disclosure of images of students to ensure compliance with the Privacy and Data Protection Act 2014 (Vic). It also explains the circumstances in which Noble Park English Language School will seek parent/carer consent and how consent can be provided and/or withdrawn.

As a general rule, use relates to images which are shared and distributed only within the school for school purposes (i.e., ID photos, Compass), whilst disclosure is used for images which are shared and distributed outside of the school staff and are available to other students, parents/carers and the wider school community.

Noble Park English Language School will ensure that parents/carers are notified upon enrolment and at the commencement of each school year of the ways in which our school may use images of students. There are many occasions during the school year where staff photograph, film or record students participating in school activities or events, for example classroom activities, sports events, concerts, excursions, camps etc. We do this for many reasons including to celebrate student participation and achievement, showcase particular learning programs, document a student's learning journey/camps/excursions/sports events, assemblies, communicate with our parents/carers, school community in newsletters and on our website.

Noble Park English Language School's will use student images reasonably, appropriately and sensitively, consistent with our obligations under the Child Safe Standards and our school's Child Safety Policy. If at
